

NOTES

Sunday December 31st, 2023

1. Roleplay a friend asking you to articulate the core message of the Gospel. What are the essential parts of the Good News? Why must they be included in the message?
2. What 2 or 3 scriptures from the Bible would support your personal Gospel presentation.
3. Practice again the same personal presentation ensuring that it is devoid of any church language or confusing theological terms/phrases that an unchurched, unbeliever might struggle to understand. Make the presentation plainly clear in plain, kind language.
4. Elaborate on what it means to repent. Spend time in personal repentance together as a group.
5. What does it mean to Follow Jesus? How is this different from casual, American church attendance. What is the Biblical standard described of following Jesus?
(Gal 2:20, Eph 5: 1 & 2, other?)
