

# NOTES

Sunday January 7th, 2024

1. Have you ever been discipled by someone, have you ever discipled another person? What was that process like? Is any of that current for you now?
2. We can be guilty of listening to sermons for the sake of information, but that does not transform. Explain that statement.
3. Discuss approaching Bible reading/sermon/devotional with an immediate view of obedience as your primary response.
4. What is your 'I will statement' from the Sunday sermon? Would you commit as a group to holding each other accountable when you meet next?
5. Discuss the invitation to Bootcamp on Feb 7th as a group. Is that something you would consider doing together?
