

NOTES

Sunday February 25th, 2024

1. The POV we discussed on Sunday was the fear that I won't live up to my potential. Is this a fear that you hold? Have you held it before? When have you felt like you've lived up to your full potential?
2. Read Matthew 22:34-40. From the words of Jesus, what does this say about our purpose? Why was this a shocking statement for those he was speaking to?
3. Review the five purposes that were laid out from the message. Do any of these resonate with you? Which do you have an easy time affirming? Are there any that are challenging for you?
4. One of the purposes was that God wants me to contribute. What do you believe your unique purpose is? What are your gifts? How can you use them for God's glory?
5. You were created with a God-sized purpose. At Community Church, we want to help you discover it. How can you encourage each other to find your unique purpose?
