1. Amos was a simple, regular man, and yet interrupts all of that and gives him a new life and role in society. How does this apply to you?
2. Amos is gripped by the fact that God speaks. What should our posture be to the voice of God (prophetic, the Bible, the preached Word of God). Does your posture need to change in any way?
3. Read Amos 8: 11 – 12. What happened what God's people turned a deaf ear to God's voice. How does this relate to Romans 1: 21 – 32? What are the ramifications of this for us today?
4. Read Matt 4:4. What will you do this week to elevate and prioritize the voice of God in your life. How can you be obedient to hearing his voice?
