1. Is there an area in your spiritual life where you have found yourself going through the motions in the past? How did you correct that in your daily walk?
2. Zechariah reminded us our life is not ours, but God's to use. Is there an area you feel God calling you to serve or volunteer for His kingdom?
3. Zechariah 8:16-17 and Proverbs 6:16-19 list some things God hates or detests. Share how you guard yourself against these things creeping into your daily walk.
4. How did it impact your thinking to be reminded that things we see as impossible are simple for God, that He can do exceedingly, abundantly above all we ask or think, and that with God all things are possible?
5. Was your perspective changed when you heard, "Everything accomplished for the kingdom in your life is accomplished through you by God, and not by you for God."
