

# NOTES

Sunday, August 4th, 2024

1. Do you know what God's calling is for your life? How is that going?
2. Have you ever been thoroughly discouraged and disheartened while serving God? Have you ever been ready to 'throw in the towel'. Share that journey together. What do you do in times like that?
3. Jeremiah's message was never received. Do you have anyone in your life right now who will not listen. Pray for them together.
4. Are you becoming sweeter with age or can you recognize that you are becoming stiff and rigid. Why is that happening to you? What does 'obedience & accountability' look like as you move forward. Read I Cor 13: 4- 7.
5. Encourage each other in ministry, spur each other on, never give up. Take some time to speak life into each other as you serve God in this chapter of your life.
