1. What is the difference between the ‘kingdoms of this world’ and the ‘kingdom of God’?
2. “Suffering happens to you; evil happens in you”. We can endure suffering with God by our side, but we must not be overcome by evil. Elaborate on this distinction.
3. Read Romans 12: 21. How do we accomplish that? Give examples? This will take a different perspective – how do we get there?
4. Read 1 Cor 4: 1 – 5. How does this inform us when we want to judge people who are cruel or violent or ungodly?
5. Are you poised for the next time you are insulted or belittled or hurt or wrongly blamed... How will you navigate that differently than before as a result of God’s Word this week?
