Read Matthew 5: 17 - 20. Follow the head, heart, hands questions resource to discuss as a group or process individually.

1. Why does Christianity have such a poor reputation when it comes to legalism. Describe the problem that unbelievers see. Define the problem that has caused others to abandon the church and God. What damage does it continue to do?
2. Saint Augustine coined the phrase, 'glittering vices'. What does that mean. How do we remove ourselves from glittering vices?
3. Some churches want people to know the book. Some churches want people to do the book. What does it mean to go beyond those two things, to live in the kingdom?
4. It's our responsibility to carve out a deeply satisfying and fulfilling life of righteousness. How does this temper temptation and sin in our lives?
5. How can you be obedient this week to a life of righteousness in the kingdom? Share and hold each other accountable.
