Read Matthew 6:1-4. Follow the head, heart, hands questions resource to discuss as a group or process individually.

Does a truly selfless act of kindness exist? What are the typical rewards for doing a kind act? What are the motivations?

Why does your motivation for doing good matter? What are some of the unhealthy motivations we can have for serving or giving?

Define hypocrisy. Is hypocrisy inevitable in our personal lives or our spiritual habits? What are the dangers of hypocrisy? How can we as followers of Jesus be authentic in a way that dispels this title?

Read Matthew 15:1-20. Discuss as it relates to this week's topic.

What type of rewards do we get when we look for immediate recognition? What type of reward does Jesus promise in relation to good works done without applause?
