1. Read 1 Tim 2: 6, 7 – what ‘head, heart, hand’ questions can you address?
2. If you’ve been on the ELEVATE journey for any time, what are you grateful for in this initiative? Have you been able to play any part in it?
3. Paul imparted something to Timothy. Can you remember if/when someone did that for you?
4. At the end of Paul’s life, he wants to make sure that Timothy grasps the baton and keeps going with this gift of grace. If you were at the end of your life, who would be your Timothy? How would you communicate a sense of final words to someone to tell them to keep going as a servant of Christ? How would impress the urgency and importance of that?
5. “Everybody get to play” - What does this look like for you as we approach 2025?
