

NOTES

1. Read Matt 7: 13, 14. (Head, heart, hands questions). Elaborate on what Christ calls the 'narrow gate' and the 'wide gate'. What are they? What does a life look like that goes through the narrow gate? Why will few find it?
2. Do you believe in absolute truth or do you believe that truth is relative and abstract. Why?
3. This culture would have you assert that everyone has their own truth? What's the problem with that?
4. Read John 17: 3, John 14: 6, John 10: 29 – 33. How would you describe the statements of Christ in these passages?
5. Describe how a Christian should represent the Gospel well in today's world and culture? Are we supposed to be tolerant of every notion and claim? How can we wisely proclaim exclusive truth in an inclusive way that is marked with love? How do we err in that?
