

NOTES

Sunday, March 2nd, 2025

1. Who do you say Jesus is? Share with your group how you would answer that question if you had to take the stand and give your testimony of who He is.
2. Share with your group one testimony you have of Jesus. Talk about a time when you saw Him, encountered Him, experienced Him, and then talk about what that did to you? What impact did that encounter have on your life?
3. Anyone can share a testimony of Jesus, but sometimes it doesn't seem like sharing our testimony is that 'great' compared to all of the other things I could do for Jesus. Talk about why sharing our testimony is so powerful and how God uses this, along with the Blood of the Lamb to defeat the enemy.
4. What is your "I will statement" in response to Sunday's message? Make it something that you can do this week and ask your group to keep you accountable so that you can report back next week how it went.
