1. Read John 4:44-54 together. What stands out? Who is in the story? Where are they coming from? Where are they going? What did you notice that maybe you didn't notice before?
2. Imagine you are there at the scene with Jesus and the Nobleman. What do you think that scene feels like? What is the crowd doing? What are you hoping for in that moment as you wait for Jesus to respond?
3. Now imagine you are the Nobleman. What would you be thinking about during your 20-mile journey to Jesus? What would you be thinking and feeling when you finally saw him approaching? What do your thoughts say about how you view Jesus? What do your thoughts say about how you view yourself?
4. If you were kneeling before Jesus begging for a miracle, what do you think His first words to you would be? Share these words with the group. As a group, help affirm or even correct the voice that we are placing on Jesus. Sometimes because we don't know who Jesus is, we misunderstand His voice.
5. If you truly believed that Jesus was God in every area of your life, what area would radically change as a result of that belief?
