1. Read the following passages from the Old Testament - Isaiah 40:11, Ezekiel 34: 11-16, Psalm 23
2. How do the above passages speak to about the coming of Jesus as our Good Shepherd?
3. Jesus has made several claims to His own divinity throughout the entirety of John 10. As a group, can you identify them? (Start with the two different 'I Am' statements)
4. If Jesus isn't just a shepherd but is indeed our Good Shepherd, what does that change in how you interact with Him?
  - Does it change the way you should worship Him?
  - Does it change the way you think about Him?
  - Do you have full trust in Him?
5. Spend some time as a group praying specifically prayers of thankfulness and adoration for the sacrifice of the Good Shepherd and for the way He leads and loves you.
