1. Read John 6: 16 – 21 (Head, heart, hand questions)
2. The Word of God, is God's story. We often want to make it our story, but it reveals Jesus Christ. Why is it enough to simply see Christ and not self-focus.
3. Water was equated with chaos, the unknown, danger, darkness... would you be brave enough to share any current storm in your life? Allow everyone to share, be careful not to monopolize the time with one person.
4. What content in our passage reveals the deity of Jesus?
5. What does obedience to God's Word look like. Compose your 'I will' statement.
