1. See if anyone in the group can quote the Vision statement from memory. (they get a gold star!)
2. Open up our Vision web site (futuresandfoundations.org) and read the goals out loud. Discuss the joy of seeing any of these realized.
3. Would you openly share what part you will play in the Vision of our local church.
4. Acts 20: 35 “It is more blessed to give than to receive”. Do you believe this? Why is this a struggle for you and others?
5. Talk about ‘Jim & Pam’ and recall the characteristics of their lives. What is it that they treasure and how can we best present the true treasure of Christ Jesus to them?
