

NOTES

Sunday, December 28TH, 2025

1. What is one thing you have seen or experienced in creation that caught your attention, and made you think, “This is one more reason there has to be a God who created all this.”
2. Read Romans 1:20 as a community group. What in nature exemplifies God’s invisible qualities, eternal power, and divine nature? Share how it impacts you to hear scripture say we are “without excuse”.
3. Share with the group what you think of the statement, “Believing in God is a step of reasonable trust, and refusing to believe in the existence of God is a massive blind leap of faith.”
4. Share one story that is part of your personal testimony of God revealing himself as active and visible in your life.
5. Share one way you will adjust your approach from “arguing to prove” the existence of God to “introducing” people to the God who knows and loves you.
