1. Read Matthew 25:35-40 - how do we need to change our definition of hospitality to match how Jesus described it?
2. Hospitality is a characteristic of following Jesus - when we welcome others in, we're reflecting his heart. What boundaries do you need to take down in your life so that you can show hospitality to those around you?
3. What is your legacy around loving others like Jesus? When you look at your story, how are you known? For your serving? For your hospitality?
4. Specially around foster care and adoption - how can you and your community group live on mission to be hospitable for the vulnerable?
